About Us

Joondalup Athletics Centre was founded in 1992 and has a long history of developing athletes in the Joondalup and surrounding suburbs.

We offer training and competitions for athletes from 5 to Adult, teaching them to run, jump or throw.

Over the last 32 years we have trained athletes to excel at club level as well as progress through to competing in State, National and International Events.

Athletics is a fantastic way to encourage an active and healthy lifestyle, build self-esteem, confidence and leadership as well as team working skills while making new friends and having lots of fun.

We have an average of 350 athletes who train and compete at HBF Arena on a weekly basis from October through to March every year.

We also run a successful Cross Country program where we have over 100 of our current athletes take part from May to August.
