Heptathlon						3200	3000	NO EVENT	NO EVENT
Decathlon	6100	5800	4600	4800	4800				

The qualifying period for the Combined Events, 10,000m and 10,000mW began on 1 October 2023. 10,000m and 10,000mW may qualify on track or road.

The qualifying period for all other events began on 1 January 2024

Hand times appear in brackets under the electronic times. Beam (or Gate) times are not valid and are not accepted for qualifying performances. Wind readings of qualifying performances may be up to 4m/s for Under-Age events and 3m/s for Open events.

An athlete must achieve the standard with the correct implement weight or hurdle/steeple height/distance for the applicable age group.

Under 23 standards are for athletes to qualify in open events and only apply to athletes born in 2003, 2004 and 2005

There must be three (3) or more entries at the time of close of entries for an event to be contested in its own right

Athletes must be turning at least 14 years of age in the year of competition in order to enter any steeplechase event.

Athletes must be turning 16 years of age in the year of competition in order to enter any event in excess of 5000 metres or any men's open throwing, hurdles or steeplechase event.

The first three athletes in their own State/Territory Championships (not applicable in State Schools or events over 5,000m) may enter without meeting the standards above, but as events will be conducted using the vertical jumps starting heights and triple jump take-off boards indicated above this should be taken into account when considering using that method of entry qualification. The starting heights/take-off boards will not be reduced.

Where NO EVENT is indicated, athletes cannot enter higher age groups in the same/similar event with the exception that in the Under 14 3000m Walk, Pole

Vault, Triple Jump and Hammer Throw events those athletes turning 12 in the year of competition may enter if suitably qualified.

Note: In Under 14/15/16/17/18 events of 1500 metres or longer, if more entries are received than can be accommodated in one race, then those with the slower times may be placed in a "B" division and the results of the event determined on a timed finals basis. (using current year data)
